Sources: Money in this fund comes from various sources including rental income receipts, out-of-state tuition, donations received from individuals, organizations, foundations and various other groups or sources including the Albertson Foundation.

Uses: Money from this fund is used to pay utilities and other maintenance expenses at the Idaho School for the Deaf and the Blind. Utilities include natural gas, electricity, as well as water, sewer, and trash. These limited funds are used to support the general operating budget of the school as utilities are considered as an integral component of the general operating budget.

Moneys from donations, whether they are from a private individual or an established foundation like the Albertson Foundation are expended as per the directions of the donor. If a use is not specified in the donation, the moneys are used to provide educational support and assistance to "students in need" at the school. No donations are used to support the general operating budget of the school.

Fund: Charitable Institutions Endowment Income (0481-03)

Sources: One-thirtieth (1/30) of the receipts to the Charitable Institutions Fund as authorized in Idaho Code §66-1106. This legal transfer which is completed each month by the State Controller's Office, provides the revenue while legislative appropriation authority provides the level of authorized expenditure each year.

Uses: Money from this fund is used to pay utilities and other maintenance expenses at the Idaho School for the Deaf and the Blind. Utilities include natural gas, electricity, as well as water, sewer, and trash. These limited funds are used to support the general operating budget of the school as utilities are considered as an integral component of the general operating budget. Historically, receipts from the endowment fund were primarily used to pay for "utilities" each year. However, in recent years, the Executive Budget and subsequent legislative appropriation have utilized a greater portion of dedicated endowment monies for things such as the purchase of one-time capital items.
